Introduction to Aire Puro

► **Who We Are:**

- Aire Puro is a non-profit organization located in Quebrada Arenas, San Lorenzo, PR.
- Our mission is to promote sustainable living, community engagement, and local food security.

Our Location

- **101 cuerdas** of land in San Lorenzo, PR
- **5 cuerdas** specifically dedicated to Aire Puro's initiatives.
- Plans to develop an **eco-tourism** company: **Hacienda Ola Verde**.

Established Tourism Businesses

- We have a solid foundation in tourism with: **Island Reef Tours**
- **Aquazul Tours** (based in Fajardo)

Key Initiatives

•Community Gardens

- ❖ Establish communal spaces for residents to grow fresh produce.
- ❖ Fosters community engagement and promotes healthy living.

•Agriculture Classes

- ❖ Educational programs and workshops on sustainable agriculture.
- ❖ Open to individuals of all ages to promote environmental stewardship.

•Local Food Security

- ❖ Reduce reliance on imported food by growing crops for local consumption.
- ❖ Strengthening food security on the island.

•Community Library

- ❖ Construction of a library in San Lorenzo.
- ❖ Offers agriculture classes and supports community gardens.

Our Vision

▶ Long-term Goals:

- Empower local residents through access to fresh, locally grown produce.
- **Community Library:** Serve as an educational hub offering agriculture classes and resources, while supporting sustainable practices and community gardens for long-term community development.
- Address food security by reducing dependency on imported goods.

Request for Collaboration

How the Municipality of San Lorenzo Can Help:

Financial support or incentives to ensure the sustainability of our projects.

Collaboration to maximize the community impact of Aire Puro's initiatives.

The Potential Impact

AIRE PURO CAN BE A CATALYST FOR POSITIVE CHANGE IN SAN LORENZO.

PROMOTING ENVIRONMENTAL AWARENESS, COMMUNITY ENGAGEMENT, AND SELF-SUFFICIENCY.

CONTRIBUTING TO THE OVERALL WELL-BEING OF OUR COMMUNITY.

Next Steps

We would love to schedule a meeting to discuss potential **collaboration** and **funding** opportunities with the Municipality.

Let's work together to make San Lorenzo a model for sustainable living in Puerto Rico.

Thank You
